**This is me. My name is Kolya. I am in the 5th grade. I'm fond of sport. I do skiing and play football. I'm also interested in science and craft. I always try to do my best and my parents help and encourage me.**

**Attention! This is my father. His name is Sergey. He is strong and strict. I look like him. We go fishing together. We are friends.**

**This is my mother.  
Her name is Galina.  
She is wonderful. My  
mum is a teacher,  
she works in our  
school. She is  
sociable, creative  
smart and bright. I  
love her so much, we  
often spend time  
together. On  
Sundays we make  
“pelmeni”, go skiing  
or cycling together.**

**I'm not the only child in our family. Now you are looking at the photo of my sister. She is a real beauty. Ann studies in the university. My sister is going to be a lawyer. She is caring, responsible, well-mannered and loving. I miss her when she's out of home.**

**This lovely lady is my  
granny . Her name is  
Mariya Trofimovna.  
She is very kind, wise  
and caring. My granny  
is a real master of  
cooking. Her pies are  
very tasty. She is also  
good at knitting. I  
adore my  
glandmother.**
