

The background of the slide features a scenic view of a white church with multiple onion-shaped domes, situated behind a body of water. A young girl with blonde hair, wearing a blue dress with white and floral patterns, stands on the right side of the image. The foreground is decorated with several white daisies with yellow centers.

Моя малая Родина

A close-up photograph of a sculpture of a white cat's head. The sculpture is made of a light-colored material, possibly stone or plaster, and has a friendly expression with a slight smile. Instead of natural whiskers and eyelashes, thin, dark sticks are attached to the face. There are four sticks on each side for whiskers and five sticks on each side for eyelashes. The background is slightly out of focus, showing some greenery and a building.

ВОРОНЕЖ

An aerial photograph of a city, likely Moscow, showing a dense urban landscape with numerous multi-story apartment buildings, green trees, and busy streets with cars. A large red text overlay with a white outline and a 3D effect is centered over the image. A small grey mouse cursor icon is positioned over the letter 'В' in the word 'Встреч'.

До новых встреч!
