Hello! My name's Veronika.
I'd like to tell you about the house of my dream.

It is modern and
comfortable.
It's a semi-
detached house
made of bricks.

In my house there
are two rooms
downstairs and one
room upstairs.
There is a kitchen, a
living-room and a
bedroom.

All the rooms have
modern furniture
and carpets to keep
me warm.

I like this house very much!
