

Входной контроль

I вариант

1. Match the headings to the paragraphs. One heading is extra.

1) The scientific explanation

3) Places without rainbows

2) The real shape

4) A person vision

A. Two people never see the same rainbow. Each person sees a different one. It happens because the raindrops are constantly moving so the rainbow is always changing too. Each time you see a rainbow it is unique and it will never be the same! In addition, everyone sees colours differently according to the light and how their eyes interpret it.

B. A rainbow is an optical phenomenon that is seen in the atmosphere. It appears in the sky when the sun's light is reflected by the raindrops. A rainbow always appears during or immediately after showers when the sun is shining and the air contains raindrops. As a result, a spectrum of colours is seen in the sky. It takes the shape of a multicoloured arc.

C. We all believe that the rainbow is arch-shaped. The funny thing is that it's actually a circle. The reason we don't see the other half of the rainbow is because we cannot see below the horizon. However, the higher we are above the ground, the more of the rainbow's circle we can see. That is why, from an airplane in flight, a rainbow will appear as a complete circle with the shadow of the airplane in the centre. You can never reach the end of a rainbow. A rainbow is all light and water.

2. Match to form exchanges

1) We lost the match!

a. What a coincidence!

2) That's very bad luck?

b. Thanks, I need it.

3) What a nice party!

c. Don't talk rubbish!

4) Good luck!

d. Better luck next time.

5) I lost my keys on Friday the 13th.

e. Thanks, I'm glad you think so.

3. Fill in the gaps with the correct form of the verbs in brackets.

1) Paula ... (look) for her car keys at the moment.

2) This soup ... (taste) delicious.

3) Kate is tired. She ... (work) since morning.

4) Helen ... (not/believe) in ghosts.

5) ... (you/look) forward to your birthday party next week?

4. Write a letter to your English pen - friend and tell him about your summer holidays:

- Where did you go in summer?
- What did you do there?
- What interesting things happened?

Write 100–120 words. Remember the rules of letter writing.

II вариант

1. Match the headings to the paragraphs. One heading is extra.

- | | |
|----------------------------|-------------------------------|
| 1) Impossible to catch | 3) The real shape |
| 2) Places without rainbows | 4) The scientific explanation |

A. A rainbow is an optical phenomenon that is seen in the atmosphere. It appears in the sky when the sun's light is reflected by the raindrops. A rainbow always appears during or immediately after showers when the sun is shining and the air contains raindrops. As a result, a spectrum of colours is seen in the sky. It takes the shape of a multicoloured arc.

B. We all believe that the rainbow is arch-shaped. The funny thing is that it's actually a circle. The reason we don't see the other half of the rainbow is because we cannot see below the horizon. However, the higher we are above the ground, the more of the rainbow's circle we can see. That is why, from an airplane in flight, a rainbow will appear as a complete circle with the shadow of the airplane in the centre. You can never reach the end of a rainbow. A rainbow is all light and water.

C. You can never reach the end of a rainbow. A rainbow is all light and water. It is always in front of you while your back is to the sun. As you move, the rainbow that your eye sees moves as well and it will always 'move away' at the same speed that you are moving. No matter how hard you try, a rainbow will always be as far away from you as it was before you started to move towards it.

2. Match the words into 2 columns

- | | |
|-------------|-----------------|
| 1) local | a. idea |
| 2) strong | b. contest |
| 3) open-air | c. skating-rink |
| 4) bright | d. tradition |
| 5) cooking | e. charity |

3. Fill in the gaps with the correct form of the verbs in brackets.

- 1) The parade ... (start) at 10 a.m., so let's hurry.
- 2) Ann ... (not/see) a fireworks display before.
- 3) John ... (not/believe) in superstitions.
- 4) The kids ... (watch) TV at the moment.
- 5) Toby ... (feel) unwell now.

4. Write a letter to your English pen - friend and tell him about your summer holidays:

- Where did you go in summer?
- What did you do there?
- What interesting things happened?

Write 100–120 words. Remember the rules of letter writing.
