St Valentine's Day

There are several legends about St. Valentine's Day. One of the legends says that Valentine was a Christian priest who lived in the 3rd century A.D. He was put into prison by roman authorities for his teachings and was beheaded on February 14. According to the legend he performed a miracle – he cured his jailer's daughter of her blindness. Before the execution he wrote her a letter signed «From Your Valentine». Another legend says that the same Valentine wrote to children and friends who loved him from the jail.

According to another legend, Valentine was an Italian bishop who lived at about the same time. He was thrown into prison because he secretly married couples, contrary to the laws of the Roman empire. The legend says that he was burnt at the stake.

February 14 was also a Roman holiday. On this day young men randomly chose the name of the girl to escort to the festival. The custom of choosing a sweetheart on this day became very popular in the medieval Europe. Later that custom spread to American colonies.

Now, St. Valentine's Day is the day of sweethearts. On this day, people show their sympathy to those ones who they love and care. People send candy or flowers to those whom they love. Most people send «valentines», greeting cards named after St. Valentine's letters written from jail. Valentines can be sentimental and romantic, or funny and friendly. Valentines can be anonymous. Valentines can be heart-shaped or can carry hearts on them. People buy valentines or make them themselves.
