Now, you're ready to write and draw your story!

Union of the animals.

A she-tiger with her cub goes to the Lake. A waterfall comes out of this lake. When she starts to teach swimming to him, suddenly a branch pulls the cub under the water. He almost drowns. The cub wants to come out of the water and pulls his paw. The branch lets him go and the water carries him down. The

is very scared
for him and
runs to save
her son. But
it is too late.

The cub falls down the water fall.

The she-tiger rushes down, but when she is at the bottom
of the water fall there is no cub there. Then she goes

to the union of
animals. She asks
the animals to
help her. They want
to help her to
find the cub.

Soon they find his track, and after 3 hours
they find the baby-tiger. He is happy to come
back to his mother.
