Dear friend,

Where are you and what are you doing? I'm writing this letter to you and listening to some music. It's a new disk. The disk was my birthday present and I like it very much. My birthday was last Saturday. It was a warm and sunny day and my birthday party was in the garden. Mother and father cooked and I helped them. My friends and I danced, played games and listened to music. I enjoyed my birthday party. What do you usually do on your birthday? Were you born in spring, summer, autumn or winter? What is the weather usually like on your birthday?

Dear friend,

Do you want to know where I'm? I'm in a big hotel at the sea with my family. We are having a wonderful time. We came here yesterday. The weather is very warm and I'm going to swim in the sea this afternoon. I'm going to play golf and watch a new film in the evening too. I like holidays at the sea, and you? What do you usually do on your holiday? Do you stay at home or go to some nice place?

Please write to me soon.

Mike
