

## Lesson 1

### Module 6 Have you ever...? (Starlight 5 p. 96)

1. Dear students, please open your Student's books at page 96. Look at the pictures. Have you tried any of these activities in your life? Yes? No? Only some of them? If you have, it means that you've got some **experience**. And today we will talk about what "experience" is.

2. So, what is "**life experience**"? Any ideas?

**Experience** - event (событие) or events that you had in your life, in your past. (опыт - то, что ты в жизни попробовал сделать или то, что с тобой когда-либо происходило, например, ловил рыбу, летал на парашюте, ломал руку и т.д.)

3. And what is "**exciting experience**"?

Right, it is something that you really enjoyed doing. For example, you swam with dolphins and it was amazing, exciting, you will never forget it!!

4. There are lots of exciting activities in life. Play the recording for ex. 1. **(Аудио 1) Listen and repeat after the speaker.**

5. Watch the presentation and read my notes to each picture. **(презентация "Exciting experiences"**

6. Play the recording for ex. 2. **(Аудио 2)** You will listen to John. John is describing one of the photos on the page. **Listen and say which photo he is describing.**

7. Play the recording again. Try to **answer these questions:**

- What is the place?
- What season is it? (winter, spring, summer, autumn)
- How many people are there? What are they wearing?
- What are they doing?
- What do they feel?

8. **Over to you. (А теперь о тебе)**

**Have you ever tried (Пробовал ли ты когда-нибудь) any of the activities in the photos? If yes, when?**

**Example:** I rode an elephant when I was in Thailand with my family. It was amazing. I was only 5 years old. I was very little and the elephant was huge!

**If you haven't tried any of these activities but you want to try, say:**

**Example:** I would like (I'd like - хотел бы ) to cycle across the country. I like cycling. And I am strong. I'd like to start my trip in Saint Petersburg and finish it in Vladivostok!
