WEATHER REPORT

- Welcome to the weather forecast. Now, let's see what the weather is like today.
- In the north of the country, it's very windy and cold. *There is a chance* of some rain too, so don't leave home without your umbrella! The temperature is around 10° centigrade. In the east it's rainy all day today, I'm afraid. There may be a thunderstorm in the afternoon. The temperature is a bit higher, at around 13°.
- In the west and middle of the country, the weather is dry but cloudy. So no rain for you, but it is quite windy and the temperature is just 10°. The south of the country has the best weather today. It's cloudy most of the time but sunny this afternoon. The temperature is around 15°.
