● My personal profile

I like myself!
I'm glad I'm me!
There is no one else
I'd rather be!

Hello! My name is Nikita, Nik for short. I am from Russia. I am native of Kolomna, a beautiful town not far from Moscow. I am 9 and go to a local primary school. I am in year 3 with a lot of subjects to do. I am a good student with a brilliant school record. I am handsome with hazel eyes and dark hair. My favorite subjects are English and Literature.

● *My family*

My family is very big and friendly. I have 2 sisters. Their names are Kira and Nastya! Kira is a year and half years old and Nastya is 7. My parents' names are Mariya and Kirill. I have two grandmothers, a grand father and a great-grandmother. We care a lot about each other!

● *My friends*

*He likes me wild!
He likes me tame!
He likes me
different and the
same! 😊*

I have a lot of friends but the best one is Dan. He is 9 years old. He is smart, never looks a mess, just a blond with green cunning eyes. We have a lot in common.

My hobby

They say I am a born actor. I have a good ear for music. Playing the piano eats up most of my free time. My favorite thing is "Flying ship". I take drama classes as well. I play chess and have won a lot of prizes already.

*I maybe called a
silly nat! Or crazy
cuckoo bird - so
what?*

*I am having too much
fun, you see, for
anything to bother
me! 😊*

● *My school and my class*

I don't care in any way what someone else may think or say!

My teachers and my friends are NOT someone! No way!

My classmates are good team players, rather helpful and cooperative. Most of them are my close friends.

My primary school teacher's name is Olga Viktorovna.

She is very kind and considerate. We are on good terms, as I am polite, ambitious, hardworking and reliable. Teacher's pet? Sometimes ...

I take part in most school activities and perform in our school theatre.

Progress

I am coming! That's what I keep saying to my progress at school! 😊

Healthy lifestyle

To stay healthy I do my morning exercises and take a cold shower. To be more energetic I play football and basketball! I am positive and take life as it is. In fact, I stick to the exercise and healthy diet like my Mom. Some of my classmates follow my example!

● *Future plans*

When I grow up I want to be either an actor or a diplomat. I want to become an actor because acting is my cup of tea. I want to become a diplomat because I am sociable, good at foreign languages and travelling is my hobby.

Let all my plans come true!

*Inside, outside, upside down,
from head to toe and all
around,
I like it all! It all is ME!
And ME is all I want to be!*
