

Her Majesty The Queen
Buckingham Palace
London
SW1A 1AA

Dear Russian Friends,

My name is Elizabeth II and I am the Queen of the United Kingdom. I live in Buckingham Palace in London.

I am going to visit your nice school next month. Tell me about the weather in Chelyabinsk in February so that I could be prepared for my trip?

What are you wearing now during the winter?

You know that I like to wear hats and I have a lot of jackets.

It is rather cold in London now. I wear my warm dark blue coat, warm boots and a blue hat when I am out.

I send you a photo where I am wearing my favourite blue dress.

I wish you a Happy New Year and hope to hear from you soon!

Sincerely yours,

Elizabeth II.

A handwritten signature in dark ink that reads "Elizabeth II". The signature is elegant and cursive, with a long horizontal line extending from the end of the name.
