The purpose of my project:

Find out if there are many shops in my village.

In my village there are many shops such as:
chemists`s , shoe store , stationery shop and others .
Today I will show them to you...

Toy shop

This toy store is called “Детский мир”. It sells not only toys, but also children's clothes and shoes, strollers, cribs and even garlands

Stationery shop

This is an stationery shop , in addition to pens and pencils , you can buy plaster figurines , wall clocks and paintings there

Jeweller`s

Here the jewelry store is called “ Кристалл” .

There you can find rings , earrings , bracelets .

I haven't been in it yet

Shoe store

Here , in addition to shoes , they buy belts and travel bags . I also like the atmosphere with this store, it's calm there

Chemist`s

In this pharmacy you can buy quality pills and get tips on how to be healthy. And you can also measure your blood pressure

Sweet shop

We all love sweets! In this store you can buy fresh candies for any choice

Bakery shop

In this store you can always buy fresh, crispy and delicious bread, pies and cookies

Restaurant «Rudnya»

This restaurant is very popular among the villagers. In this restaurant you can celebrate a holiday or have a good time with friends

Fast Food Restaurant «Sevan» / «Sudzumy»

Here you can order food by phone. This is a fast food. The food is very tasty and of high quality. I like this kind of food

Butcher shop

In this store you can buy fresh meat for every taste. Pork and various sausages are sold here. There are always a lot of buyers here. The sellers are very polite and friendly.

Conclusion

There are many different shops in my village.

Each store has a large selection of quality products.
