

The American Presidents

Автор: Чупира Захар

- A person who wants to become President must be born in the United States, must be at least 35 years old and live in the United States for at least 14 years before becoming President.
- The President's term is four years and one can be President for one or two terms, but no longer.
- Americans vote for the President in November of every leap year.

PRESIDENTS

From the earliest days of America, the lives of the men who occupied the White House have created an unending fascination for old and young alike.
